ESCROW VERIFICATION SERVICES

Reputation for excellence in serving government...

TKW continues to expand its dedication to state and local governments through our vast service offerings—now including escrow verification services. Our reputation and relationships make this a natural extension of our “First Call” concept.

Using the latest financial analysis software we provide a comprehensive evaluation and verification of the accuracy of information related to debt refunding as provided by underwriters.

Escrow verification services are performed in accordance with professional standards established by the American Institute of Certified Public Accountants.

- Independent calculations of escrow receipts and disbursements
- Independent yield calculations and verification

Your “First Call” for Governmental accounting, reporting, assurance, tax and business advisory services.

- Municipal Audit
- Tax Compliance
- Organization Reviews
- Agreed-Upon Procedures
- Performance Audits
- Information Technology services
- Cost Allocation
- Business Practices and Programs

Our service in this area is defined by our ability to:

- Meet your timelines
- Provide high quality analysis of your transactions
- Deliver accurate, easy to read reports
- Work closely with other professionals on your team

For more information about escrow verification or our other government services, please contact:
