***Experience Something Different***

**TKW BREAKFAST SEMINAR**

**IT CONTROLS**

**October 13, 2011  
8:00 AM to 9:00 AM**

**PLEASE JOIN US!**

**How can you tell if your security and IT controls are really effective? How do you measure security effectiveness? How do you prove that IT security controls help increase IT operating effectiveness and efficiency and that they don't just slow the business down? We will be discussing how TKW can help you find out.**

**Please RSVP by October 7, 2011 to:  
government@tkw.com or by accepting this appointment.**

**For more information on this event and topic please visit our website at [www.tkw.com](http://www.tkw.com) and click on News & Events.**
